ABOUT US

JMT INTERNATIONAL SCHOOL (CBSE AFFILIATED 10+2)

Established in 2019, JMT International School is a premier CBSE-affiliated (10+2) institution known for its commitment to excellence in education and holistic child development. Located in Bihar, the school boasts one of the largest and most beautiful campuses in the state, featuring spacious, modern architecture spread across several acres. With a thoughtfully planned green-to-concrete ratio of 4:1, the lush, landscaped gardens provide a serene and stimulating environment that nurtures learning amidst nature.

Our campus is equipped with top-tier sports infrastructure including a full-size football field, cricket pitches, basketball courts, and dedicated play areas for both children and adults. These facilities, along with our emphasis on outdoor learning, support the physical and mental well-being of our students.

JMT International School is more than an academic institution—it is a vibrant learning community that emphasizes values, life skills, and a global perspective. Our dynamic curriculum is designed to shape responsible, empathetic, and forward-thinking individuals. From the early years, we focus on building strong bonds between students, parents, and teachers, creating a safe, nurturing, and inspiring environment supported by the latest teaching methodologies.

With a proven track record of outstanding board results, JMT International School continues to lead the way in delivering quality education while fostering the all-round growth of every child.

Message from the Principal's Desk

Dear Parents, Students, and Well-Wishers,

It gives me immense pleasure to welcome you to JMT International School—a place where learning goes beyond textbooks and classrooms to nurture confident, curious, and compassionate individuals.

Since our inception in 2019, JMT International School has grown into one of Bihar's most respected educational institutions. With a strong foundation rooted in values and a vision for global excellence, we strive to provide a balanced and forward-thinking education that prepares our students not just for exams, but for life.

Our expansive, green campus provides an environment where young minds thrive—physically, intellectually, and emotionally. We take pride in our academic achievements, state-of-the-art infrastructure, and a dedicated team of educators who go the extra mile to bring out the best in every child.

At JMT, we believe that education must instil not only knowledge, but also character, empathy, and resilience. We are committed to fostering a culture of curiosity, discipline, and self-expression—ensuring that every student feels seen, heard, and valued.

As we continue to grow, we remain dedicated to shaping responsible global citizens who will lead with purpose and integrity in an ever-changing world. I invite you to be a part of this vibrant journey of growth and excellence.

The Chairman's

Vision

Dear Students, Parents, Educators, and Well-Wishers,

It gives me immense pleasure to extend a warm welcome to you all on behalf of the JMT International School family. At the heart of every great institution is a compelling vision, and it is with this belief that JMT International School was born—a vision to reimagine education, not merely as a process of imparting knowledge, but as a lifelong journey of purpose, discipline, creativity, and global citizenship.

My own journey as an investment banker, based in Singapore, has exposed me to some of the world's most dynamic environments in business and education. Over the years, my entrepreneurial efforts across real estate, media, pharmaceuticals, drones, agriculture, and manufacturing have not only created sustainable businesses but also meaningful livelihoods for hundreds of individuals. But beyond boardrooms and business metrics, it has always been my conviction that true success is measured by the impact we create in the lives of others—especially the next generation.

With this in mind, JMT International School is more than just an educational institution. It is a dream to bring world-class schooling to India—an institution inspired by the academic excellence, discipline, innovation, and global benchmarks of Singapore's world-renowned education system. We envision a school where learning is child-centric, technology-driven, ethically grounded, and future-ready.

Our school aims to nurture inquisitive minds, compassionate hearts, and resilient spirits. Whether it's integrating smart classrooms and AI-driven learning tools or introducing global exposure programs and values-based education, our commitment is to create an ecosystem that prepares our students to thrive in an interconnected and rapidly evolving world. We are building a campus where culture meets technology, where tradition meets innovation, and where academic excellence walks hand-in-hand with character development.

We are also deeply aware of our social responsibility. My experiences in CSR and community upliftment initiatives have taught me that education is the most powerful equalizer. That is why JMT International School actively engages in social outreach—offering scholarships, inclusive programs, and community development activities that extend the light of learning to every corner of our society.

To our parents, I assure you that your trust in us will be honoured with integrity, transparency, and consistent progress. To our teachers, I say—your role in shaping minds is unparalleled, and I stand with you in empowering every learner. And to our students—dream big, work hard, stay curious, and never forget that each one of you has the power to shape the world.

JMT International School is not just a place to learn—it is a place to lead, to explore, to innovate, and to grow into responsible global citizens. Together, let us embark on this transformative journey of building not only a school but a legacy of excellence.

Why Choose JMT International School?

World-Class Facilities That Shape Future Leader

At JMT International School, we believe that an exceptional learning environment is the foundation of exceptional education. Inspired by global standards, especially those seen in Singapore's top-tier schools, we have created a modern, secure, and holistic educational ecosystem where every student can thrive.

Smart Classrooms

- Digitally equipped classrooms with interactive whiteboards
- High-speed internet connectivity for e-learning
- Use of AI-based learning tools and educational content

Well-Stocked Library

- Hundreds of curated books across genres, subjects, and reading levels
- Comfortable reading zones for focused learning

STEM & Innovation Labs

- Fully functional Science, Technology, Engineering & Math (STEM) labs
- Maker spaces for design-thinking, coding, and innovation

Computer & IT Labs

- Modern computing infrastructure with individual student access
- Courses in coding, cybersecurity, data literacy, and digital creativity

Science Laboratories

- Separate labs for Physics, Chemistry, and Biology
- International-standard safety equipment
- Hands-on experiments aligned with the latest curriculum

Sports & Fitness Infrastructure

- Large, open playgrounds and indoor sports arena
- Facilities for football, cricket, basketball, volleyball, badminton, athletics, and yoga
- Professional coaches and regular inter-school tournaments

Creative Arts & Performing Studios

- Dedicated studios for music, dance, visual arts, drama, and photography
- Regular stage productions and exhibitions

Healthy & Hygienic Cafeteria

- Nutritious, balanced meals prepared in a modern kitchen
- Menus planned by nutritionists to support growing children
- Clean, child-friendly dining environment

Safety & Well-being First

- 24x7 CCTV surveillance and trained security personnel
- RFID-enabled student tracking and attendance system
- In-house nurse, medical room, and tie-ups with local hospitals

GPS-Enabled Transport Fleet

- Safe and reliable bus service with female attendants
- Real-time tracking for parents
- Emergency protocols in place for any unforeseen situation

Eco-Friendly & Sustainable Campus

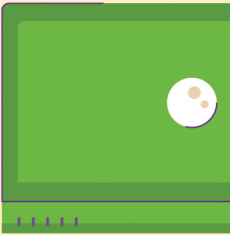

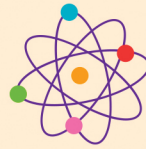

- Green building design with natural ventilation
- Solar-powered infrastructure and rainwater harvesting
- Recycling programs and eco clubs to promote environmental responsibility

Career & Skill Development Cell

- Personality development, leadership programs, and life skills training
- Career guidance, aptitude testing, and mentorship sessions

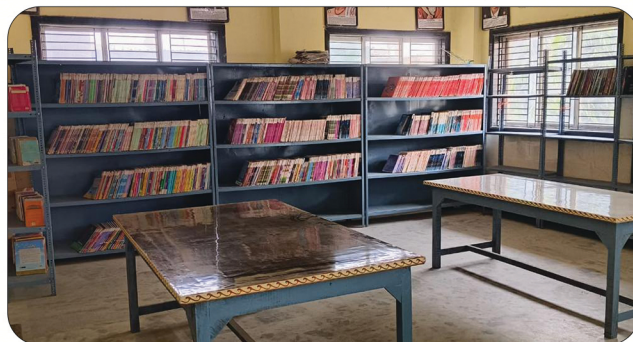

Parent Engagement App

- Real-time updates on student progress, events, homework, and notices
- Seamless communication between teachers and parents
- Access to report cards, attendance, and academic resources
